

THE SECOND GREATEST FEAR? SNAKES.

Ophidiophobia, or fear of snakes, affects one-third of the population. You can help protect your customers from snakes and even help ease their fear.

Simply apply Snake Out® around the perimeter of the yard. Snakes “taste” the air with their tongues. Snake Out irritates their Jacobson’s Organ, which senses chemicals and pheromones picked up by the tongue. As a result, snakes are repelled and move away during normal foraging.

Remember, always read, understand and comply with the label. Jacobson's Organ illustration By Fred the Oyster via Wikimedia Commons under the terms of the GNU Free Documentation License. | Sulfur, Fuller's Earth, Water | |
| SUBTOTAL, Other Ingredients | 96.0% |

TOTAL.....100.0%

SNAKE OUT Snake Repellent effectively repels snakes from around your home or structure. Apply around homes, garages, barns, swimming pools, gardens (not for use directly on vegetable gardens), garden sheds, woodpiles, and other areas where snakes may be a problem. May be used in areas where children and pets play. Snake Out Snake Repellent is biodegradable and, when used as directed, will not harm lawns, gardens, flowerbeds or other desirable plants. Not for aquatic use. Do not apply to crops being grown for food or feed.

Snake Out is an EPA 25(b) exempt product. This product is not registered with the Environmental Protection Agency. Nisus Corporation represents that this product qualifies for exemption from registration under Federal Insecticide, Fungicide, and Rodenticide Act.

How It Works:

Snakes can actually taste the air around them via a receptor organ known as the *Jacobson's organ*. Snake Out's unique combination of ingredients creates a powerful taste/scent that snakes find unpleasant and triggers an avoidance behavior that makes snakes want to escape the area where it is applied. Snake Out Snake Repellent does not harm snakes; it drives them away from areas where people, pets and children may be active.

How To Use:

Using the convenient shaker top on this package, lightly sprinkle a band 6-8 inches wide, around, into or next to the area you wish to protect. It is not necessary to cover the ground completely with product. One pound will treat a band 8 inches wide by 50 feet in length or 1 lb per 100 square feet. Do not water in after application. For outdoor use, reapply product after heavy rains or every two weeks to obtain best results. Snake Out works best and lasts longer when applied to protected areas such as crawlspaces, attics and any areas protected from rainfall. Apply into voids, holes and cracks in and around the structure where snakes may enter. Snake Out can be applied to the interior perimeter of garages, storage rooms, sheds, out buildings and boat houses. Apply Snake Out to the interior perimeter walls of crawlspaces, basements and to sill areas above the foundation walls where snakes may travel or harbor. A duster applicator may be used to apply Snake Out into in accessible area.

Endangered Species Considerations – Before using this product, consult with State or local wildlife authorities to ensure that use does not present a hazard to any threatened or endangered species. Where necessary, obtaining all required permits and licenses is the responsibility of the applicator.

User Precautions – Reminder: Some snakes are poisonous; **NEVER** attempt to pick up a snake unless you are properly trained, experienced and know which species you are dealing with. Handling wild snakes is best left to experts. Contact your local wildlife management office for further information. Snake Out will not prevent snake bites.

First Aid

Product can cause moderate eye irritation. For certain individuals, skin irritation may occur. In case of eye contact, flush with plenty of water. In case of skin irritation, wash area thoroughly with soap and water. Seek medical attention if irritation persists.

Storage and Disposal:

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry (preferably locked) storage area inaccessible to children and pets. If empty: Place in trash or offer for recycling if available.

Warranty Disclaimer

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions, the manner of application, all of which are beyond the control of the Manufacturer. To the extent not prohibited by applicable law, the buyer/seller assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer and Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer or Limitation of Remedies** in any manner.
